NOTE TO: RADM John M. Poindexter, USN
Deputy Assistant to the President for
National Security Affairs

John --

I sent a copy of the discussion between Secretary Weinberger and the Director on CIA's and DIA's work on Soviet defense expenditures to Ken DeGraffenreid several days ago. It includes commitments made by both ourselves and the Secretary on the production and uses of this analysis. As I foreshadowed to you in your office, I think you will find it deals with some of the concerns that you and many others in the government have had going back a number of years.

I assume Ken will pass along a copy to you but John McMahon wanted to make sure you had a copy of the Memorandum for the Record and it is attached.
